SWEET LAVENDER.

But once has the American Derby been won by a filly and that was when Modesty captured the great race when it was first run in 1884. But several other fillies have made bold bids for its honors and no doubt in the course of its history it will again fall to others of the gentler sex. In 1887 Miss Ford was second and Wary third to C. H. Todd. In 1888 Los Angeles ran third to Emperor of Norfolk and Falcon. The last time a filly figured in the first three was in 1889 when Retrieve ran third to Spokane and Sorrento. It is an element to be considered that but few fillies have been started for the chief event of the western turf and in this light their part in connection with its decision has been highly creditable.

In the Derby of this year but seven fillies were entered as against eighty-six colts and geldings. On this preponderance of numbers alone the race should fall to the colts but such fine, fleet fillies as Sweet Lavender, Lady Schorr and Sadie S. are not without chances of following the example set by Modesty. Sweet Lavender was one of the best fillies of last year and has already demonstrated that she is in fine form this year. In nearly all of her races as a two-year-old she contended against the very elect of her year and more than once showed her heels to many of the best of the colts. Her debut was not marked by success. It was in a half mile dash at Morris Park May 7 and she got off thirteenth and finished ninth in a field of eighteen starters. The good colt Far Rockaway was the winner with Billionaire second and Bounteous third. The half was done in 47 1/2.

In her next race Sweet Lavender ran third to Harlem Lane and Cherrie. It was again over the last half mile of the Eclipse Course for a purse and Sweet Lavender was beaten a length and a head in such rapid time as 46 1/2. These two races fitted her to fly for higher game than purses and on May 23 she came out as a candidate for the Gaiety Stakes for two-year-old fillies. The starters were Sweet Lavender, Mary McCoy, Princess Pepper, Tower of Candles, Add, Manga, Luerana, Anecdote, Lillian Hoffman and Educate. All carried 112 pounds except Anecdote and Educate who were penalized for previous successes. Sweet Lavender won easily by a length and a half in 48 1/2, with Mary McCoy second and Princess Pepper third. Her next essay was at the Brooklyn Jockey Club's meeting, May 28, when she started in the Clover Stakes at four and a half furlongs and was returned the winner in a driving finish with Ashes and Luerana. She was the favorite and taking the lead soon after the start withstood challenge after challenge and won by a head from Ashes with Luerana a half length further back. The other starters were Anecdote, Tower of Candles, Princess Pepper, Maria Bolton, Bramble Bush, Goddess of Night, Donna Henrietta and Maud Gonne. It was a fast race, 55 1/2.

Sweet Lavender did not start again until June 19 at Sheepshead Bay, where she ran second to Dublin in the Foam Stakes at five furlongs, done in 1:01. The starters and weights were: Dublin, 117; Sweet Lavender, 119; Longshoreman, 117; Contend, 117; Fake, 122; Smile, 117; Lief Prince, 122; The Rhymer, 117; Alfonso, 117; Telamon, 117, and Prince of Melrose, 117. Dublin won by a length, Sweet Lavender defeating Longshoreman a head for second money. It was a thoroughly good race and marked Sweet Lavender as fit to go to the post in any sort of company. She was jostled and thrown out of her stride at the head of the stretch, else she might even have won. At the same meeting, July 2, she won the Vernal Stakes for two-year-old fillies in fine style, giving away much weight to all of her antagonists.

The starters were: Sweet Lavender, 122; Lady of the Valley, 115; Elizabeth M., 115, and Add, Orienta, Double Six and All Saints, 110 each. Elizabeth M. was a 1 to 2 favorite, but finishing with the utmost resolution Sweet Lavender won out by three-quarters of a length, Lady of the Valley beating Elizabeth M. two lengths for second place. The time was 1:02 3/4.

At Brighton Beach, July 14, Sweet Lavender won the Venus Stakes for two-year-old fillies at 5 1/4 furlongs. It was her last success of the year, but by no means her last meritorious performance. Those going to the post were: Anecdote, 122; Sweet Lavender, 119; and Lady of the Valley, Add, Janice, All Saints, Orienta and Queen Pepper, 108 each; Sweet Lavender was favorite at 9 to 5 and a handy winner by length in 1:07 3/4, Lady of the Valley finishing second two lengths before Add, July 24, she ran third to the flying Cap and Bells and Janice for the Spinster Stakes at three-quarters of a mile, Cap and Bells won by ten lengths, Janice beating Sweet Lavender a head for second place, Cap and

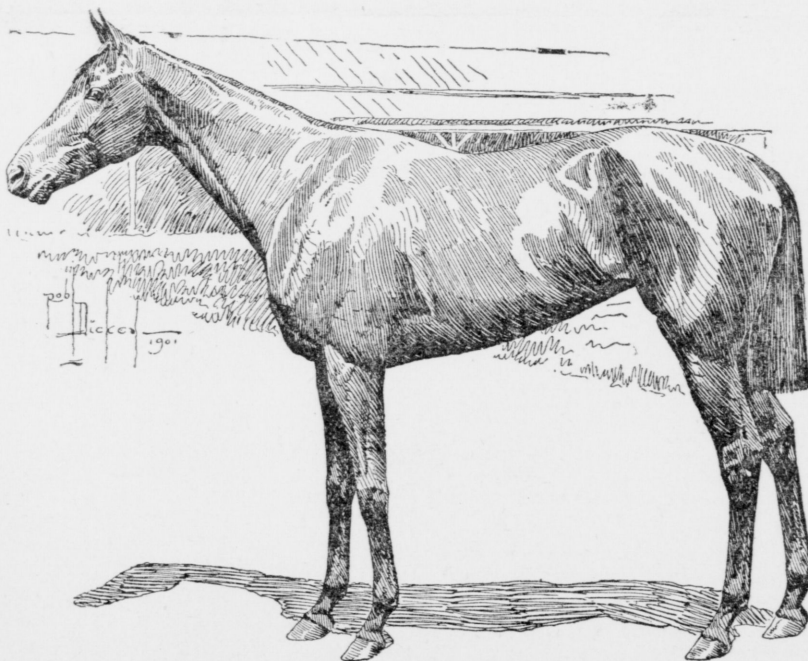

Besides being an American Derby candidate Sweet Lavender is also engaged in the Englewood Stakes at Washington Park, and it is understood that if all goes well with her she will be here and start in both events. She is a good one and has never run a bad race since she first started.

CAVIAR'S PIPER HANDICAP.

The Piper Handicap at Worth Saturday, proved to be an easy thing for Caviar, who was handsomely ridden by Winkfield. A well balanced field of seven contested the prize. Advance Guard, with Coburn up, was the favorite, backed down a point from 8 to 5. Coburn could not do Advance Guard justice. He was never a dangerous factor in the race and is perhaps not at his best.

Under Master Coburn Advance Guard swerved badly when the pinch came in the stretch and was dismally beaten.

Caviar's victory was a clean-cut one. He had only faint-hearted Louisville to beat from the

SWEET LAVENDER—B. F., BY GOLDFINCH—LYDIA.

Bells and Sweet Lavender carried 122 each; Queen Pepper 112; Janice and Orienta, 107 each. The race was run in 1:14 1/2 and though beaten, Sweet Lavender was by no means disgraced.

After this Sweet Lavender ran five times and was placed but once. In the McGrathiana Stakes, at Saratoga, August 13, she was left at the post in a race she would probably have won. Her next start was in the Futurity Stakes, in which she finished fourth to Ballyhoo Bey, Olympian and Tommy Atkins, defeating Elkhorn, Blues, All Green, Cap and Bells, Golden Age, Tower of Candles, Belvino and Lady of the Valley. For the Belles Stakes, at Sheepshead Bay, September 5, she ran second to Noonday, giving the winner ten pounds, and defeating Lady Schorr, Elizabeth M., Glennellie and five other good fillies. Getting off so badly as to have but little chance, she ran unplaced for the Willow Stakes at Gravesend, and wound up her two-year-old career by finishing sixth in the memorable Matron Stakes at Morris Park in which Beau Gallant defeated Commando and The Parader.

head of the stretch, and this was an easy task.

After the race "Bishop" Poole, acting for Mr. M. H. Tichenor, once a keen factor in local racing, bought Caviar for \$5,000. Mr. Tichenor also offered \$12,000 for Robert Waddell, but Mr. Bradley refused to sell his Derby candidate. Poole stated that it was Mr. Tichenor's intention to get again together a strong stable and go to the east to race.

A rather unpleasant incident marred the fifth race, which was at one mile. Espionage, the 11 to 5 favorite, was left standing at the post. The mishap could not be avoided, Espionage was sour and sore on her way to the post and broke with the bunch, but after going a few strides she wheeled and propped and was left in full view of the stand. Neither starter Dwyer nor Winkfield, who rode the mare, could be blamed. Laureate at 4 to 1 won the race, and Eddie Austin, who books for G. C. Bennett, won a lot of money, inasmuch as he took the Espionage money and bet it on Laureate.

Mr. Bennett won another race with his hand-

Went to post at 2:30. At post 11 minutes. Start straggling. Won easily; second driving. La Desirous was far the best today and played with her company. Sue Johnson ran a good race. She was away well, but in a tangle. She finished strong. Laureatea was badly bungled with, but at the close was running strongly under restraint. Mrs. Grannan ran an improved race. Doralice suffered from a bad ride. Lawton showed great speed, but quit like a dog.

Went to post at 3:05. At post 7 minutes. Start poor. Won easily; second the same. The start favored Jake Weber, who ran an extra good race. Aurea had clear sailing and was well ridden and had no excuses. Maximus is an overrated horse. He does not seem to fancy this track. Linden Ella is improving into a good mare at a distance.

Today he showed speed and quality, was well backed and broke the track record. Lee Nutter is a good colt and ran a capital race. Kaloma was perhaps the best, but was beaten by the start. Miss Dora, off badly, did not run her race.

Went to post at 4:05. At post 28 minutes. Start fair. Won easily after a sharp drive up the stretch. Ampere is a wonderfully quick beginner and ran to the front in a hurry, though off poorly. Hilee gave him a fight when he got up, but Ampere stood the drive like a stake colt. Bowen was miserably ridden early and allowed to fall out of it. He came at the end under a drive and would have given Ampere a race had he been got up sooner. Is close to as good as the winner. Blink came from nowhere under a poor ride. Went to post at 5:20. At post 6 minutes. Start good. Won in a hard drive of two. Petit Maitre was best and was well ridden. Weber gave him a rattling ride down the stretch and kept him going hard when he seemed beaten. The gelding is game to the core. Amelia Strathmore came strong at the end and ran a capital race. Brulare did not like the route though she ran well for six furlongs. Guide Rock and Meddlesome did not seem fit.

Winner—Ch. g. by St. Charles—White Squall.
Went to post at 2:30. At post 3 minutes. Start good. Won easily; second the same. Scurry galloped under restraint to the stretch, where he went to the front with ease. He has heretofore shown dislike for a muddy track, hence the excellence of his race under such conditions is emphasized. Balloon was boring into the rail throughout and was so atrociously handled that the race should not go as to her. At that she acted jaded. Historian, for his first time out and a bad rider, ran a fair race and should win among his kind. Gertrude Elliott closed a big gap after a loss of six lengths in the first quarter, having been hopelessly shut off.
Scratched—24773 Glade Run, 106.
Overweights—Scurry, 1 pound; Balloon, 3.
No show betting.

Went to post at 3:05. At post 5 minutes. Start good for all but Nugget. Won easily; second the same. Luciline looked a sure winner throughout and displayed high-class for the mud. Gay Boy closed strong in the last furlong. He is evidently a good colt. Shandonfield closed a big gap too. Sombrero appeared the contender for a second a furlong out. Notlimah is only moderate on today's showing. White Owl is a good looker.

He came home on the rail and was lucky to have clear sailing all the way. Sylvan Dell did her best. Zenaide ran an improved race, but was all out at the finish. River Princess was bumped and pocketed all the way. Old Phil ran nearly a winning race from where he got off. Young Henry stopped. He likes to run in front. Major Bell got a rough ride.

Went to post at 3:06. At post 7 minutes. Start good. Won easily; next three ridden out. Erema had the speed of the party and was never in danger after flag fall. The Bronze Demon was second best. Lillian Hoffman closed a big gap in the last three furlongs. All's Well took the overland trail. But for this she would have been closer up. Juniper showed his usual speed, but could not hang on. Fireplay tired in the stretch and bumped into Lady Hayman and Albert Edward when they were ready to make their runs.

Went to post at 4:10. At post 1 minute. Start good. Won easily; second driving. Hinsdale was much the best. He closed a gap of at least fifteen lengths from the five-furlong post. Slasher ran his race, but was all out at the finish. Outburst showed much improvement. Casline had no excuses. Charley Estes was a false alarm. Getabout ran as if he was out for an airing. Sauce Boat showed speed for three-quarters of a mile and then went to pieces.

Went to post at 4:35. At post 1 minute. Start good. Won ridden out; next three driving. Wedding March had all the early speed, but had to be shaken up on the end. Lynden Tree was slow to get in motion and was forced to take the overland route, but finished gamely. Lena A. seems to be rounding to. May Quick lacked the speed of her last race. The company was a bit too fast for her.

Peter Duryea's return of his old barn seemed to help his running. Fairy Day ran her best, but was outclassed. J. H. Sloan's rest appears to have taken the edge off his speed. The race will help him.

Winner—B. g, by Rob Miles—Punchy.
Went to post at 5:35. At post 6 minutes. Start good. Won driving; second the same. It was a pretty contest. Sauber won because he got the best ride. He is a big strong horse and will make a good jumper. The field ran closely bunched with the exception of Mrs. Bradshaw, who took to the timber badly. Charley Daniels and B. G. Fox did their best, but Mr. Brookwood hardly ran his race. The time is a new record for hurdle racing.

one. Could guess and wire six races a day if necessary. BUT I'M NOT GUESSING for my
clients. GENUINE STABLE INFORMATION. By my method you must win, or I can't make
a cent. Instead of sending me money in advance I simply ask you to bet \$2 for me on horses I
wire you. I don't wire often, but they are of the right sort. My only demand is that you enclose
25 cents in your first letter to insure me against loss by refusal of telegram.

Time, 25, 49, 1:15, 1:41.
Winner—Br. c, by Goldfinch—Abilene.
Went to post at 4:20. At post 1 minute. Start good. Won easily; second handily. Goldone is a very game horse, and after disposing of Dangerous Maid came on like a shot and won going away. Horton was cut off after running three furlongs or he would probably have won. He was going fast at the close. Dangerous Maid went well for seven furlongs, then tired and quit. Ping showed a lot of speed.

Goldone, show, out. Horton, show, out. Dangerous Maid, show, 2 to 5.

CAVIAR'S PIPER HANDICAP.

Continued from First Page.

some Wagner—May Kennedy colt, Ed Austin, who displayed a lot of quality by stepping a half mile in 48% seconds easing up.

The judges were called upon for action in the fifth race when Thurler fouled everything near him in the stretch and they promptly set the gelding back after he had finished second.

The afternoon was cool and clear, the track fast and fully 7,000 people crowded the grand stand and betting ring. Favorites fared badly, only one, Maggie Davis, at 9 to 20, winning and the ring of twenty-one books must have done well.

H. T. Griffin, with sixteen head of horses, arrived at Worth Saturday. He will race in Chicago all summer.

Winner—Ch. g. by Farandole—Angeline II.
Went to post at 2:15. At post 3 minutes. Start good. Won easily; it was a tight fit between the next three. Prairie Dog hugged the rail all the way and came away on call in the stretch. He ran the best race and was best ridden. Knightbanneret got away in a tangle, was dull of early speed and got into a nasty pocket on the far turn. He made a bold bid in the stretch, but never had a chance to get up. Maryland Reserve ran a good race for him. He is game and was under a hard drive the last three furlongs. Patroon was sailing out in front on the far turn and looked all over a winner passing the three-furlong post. But on the stretch bend he bolted. Merriman seems to be of little or no account. However, Coburn did not ride him to the best of advantage and the colt had rather an easy race. Sculptress used what speed she had early.

Scratched—24630 Ranco, 104; 24841 Watita, 90; 24805 Martha Fox, 104; 24981 Al Brown, 95; 24977 Blumist, 92; 24909 Geta Blackburn, 95.

Overweights—Merriman, 1½ pounds.

Winner—Blk. c. by Wagner—May Kennedy.
Went to post at 2:45. At post 4 minutes. Start fair. Won easily; second and third doing their best. Ed Austin displayed the most speed. He simply breezed under a stout pull all the way and won without an effort. Coburn seems to understand the colt and rode him well. Johanna D. set a terrific pace and hung on more gamely than she usually does. Bridge may not have been quite up to a bruising race. He was unable to keep up in the first part of it and under the whip swerved badly in the stretch. Miracle II. took the longest route and finished stoutly. John A. Clarke was badly interfered with at the start. The other two were never contenders.

Overweights—John A. Clarke, 1 pound.
Ed Austin, show, 1 to 3. Johanna D., show, 6 to 5. Bridge, show, out.

Winner—B. m. by Sayre—Lizzie C.
Went to post at 3:15. Off at the first break to a good start. Won with something left after a hard early drive. Maggie Davis was much the best and had to be to win. She was badly out-run the first part of it, and lost much ground by making a wide stretch turn, but in the final furlong her class told and at the end she was going away. The other three finished so closely together a blanket would cover them and each was driving to the limit. Emma R. was second simply because Davison outfinished the other boys. Governor Sayres improves with every start and should win in ordinary company at once. If You Dare showed a lot of speed, but tried to run out all the way. She got a very loose ride.

Winner—Br. c. by Fordham—Annie G.
Went to post at 3:45. At post 3 minutes. Start excellent. Won hand ridden; second driving to the limit; third and fourth driving also. From a time standpoint this was a good race all the way. Caviar was in fine fettle and received a perfect ride. Winkfield always had him within striking distance of the leaders, avoided all interference and made his move at the right time on the stretch bend. Louisville, ridden the way she likes best, showed a great improvement over her last race. She set a terrific pace and hung on like glue at the end. Robert Waddell, conceding a lot of weight to all the others, ran another grand race. He looked in distress passing the half mile ground, but under severe punishment was not to be denied. Advance Guard was hardly himself. He is a hard horse to ride and Coburn could not do him justice. He allowed him to swerve after rounding into the stretch. Boney Boy was raced into subjection by Louisville in the first part of it and finished out to the last ounce. The other two were just fillers in.

Scratched—24955 Tayon, 107; (24877) The Conqueror II., 116; 24165 St. Wood, 98; 23954 Haviland, 95.

Winner—Ch. g. by Volante—Laurel.
Went to post at 4:10. At post 11 minutes. Start good for all but Espionage. Won cleverly; the others were doing their best. Laureate was fortunate in getting a good ride, and won a bad race impressively. Coburn seemed in no hurry with the gelding and waited until well straightened away for home before making a move and then shot to the front like a rocket. The pace was slow throughout and that accounts for Trebor being up with the leaders all the way. Otis seemed unable to handle Trebor in the stretch and let him swerve badly. He was clear of everything at the time however and caused no interference. Martin, who rode Plead, lodged a claim of foul against Trebor but it was not allowed. Plead runs best from behind and Martin made a mistake by going to the front with her. Blue Lick tired in the stretch. Radford did not run his race. Espionage broke with the field, but she deliberately wheeled, consequently it was her fault and not the starter's that she was left.

Winner—B. g. by Strathmore—Zuhlan.
Went to post at 4:40. At post 3 minutes. Start good. Won driving and out to the last ounce; the next four were driving also. Handicapper ran a much better race than his last. He was always near the front and from the head of the stretch stood a hard drive gamely. Martin took him wider than was necessary on the turn and the gelding is also inclined to bear out. Thurles is a hard horse to ride. He was undoubtedly the best horse here, and had Coburn been able to keep him straight at the end he could not have lost. As it was, Thurles bumped into and badly interfered with both Handicapper and Zacatoso in the last sixteenth and was disqualified. Zacatoso ran above his mark. Sunro, away all tangled up, was completely thrown out of it on the first turn and really never got to going until the stretch; then he closed a tremendous gap. Dominick rode a bad race on John Grigsby, taking him around his field on every turn. At one time on the far turn John Grigsby looked dangerous, but he faded away at the end.

Scratched—24367 Free Hand, 102; 25055 Defender II., 101.

Went to post at 5:15. At post 3 minutes. Start good. Won ridden out. It was a keen drive for second place. Little Singer proved to be the best of a bad lot. She came extremely wide in the stretch, losing much ground, but finished fast and was going away at the end. The route was too far for Lake View Belle. She looked all over a winner at the eighth post but hung at the critical time. Phidias had all kinds of bad luck. Coburn seemed to get him into every available pocket. Chancery ran better than he did his last out. Tillie W. was ridden the longest route. Frank Ireland evidently left his speed in the stable. Lydia S. was prominent for about five furlongs, then quit.

EVERY ONE WHO PLAYED OUR SELECTIONS LAST WEEK

PICKED UP A GOOD BANK ROLL

We had a winning card—four out of six every day—such as

APRIL, 4-1. REMARK, 6-1. MAGI, 3-1. EDINBOROUGH, 8-1, ran second.
THE ESMOND, 3-1. BIRDIE D., 2-1. LA DESIROUS, 15-1, ran second. FLOP, 7-1.
PRINCE ESHER, 4-1. LANCEMAN, 4-1. KING PEPPER, 8-1. RICE, 7-1. ISOBEL, 5-1.

And nearly every winning favorite—a remarkable showing. We pay well for our special information and have experts at every track barring Oakland.

IF YOU ARE A LOSER NOW IS THE TIME TO GET EVEN.

The following four days will bring large returns of money invested.

Don't fail to get our SPECIAL INFORMATION.

For Monday THREE (3), and these will include one that may be as good as 15 TO 1. Good price and very likely an easy winner.

Tuesday TWO (2) very choice ones, and both should be about 5 TO 1 each, no less. DON'T miss these if you desire a good WINNING DAY.

Wednesday A GOLDEN OPPORTUNITY—one that will certainly not be less than 8 TO 1; no 50 TO 1 shot, but a good one, and will likely win by open lengths.

Thursday TWO (2), and we are confident both will be at least 6 TO 1 each. Here are TWO NO TURFITE SHOULD MISS.

WITHOUT ANY FEAR OF CONTRADICTION.

We claim that these FOUR DAYS will, beyond a doubt, be a REVELATION to turf followers. We make no alluring promises of a "BUNCH" of 50 and 100 TO 1 shots. When those kind "RUN IN" they are, as a rule, "RUNNING LOOSE," though there are exceptions, but we refer to horses which are FIT and READY and will be at a FAIR PRICE, SPECIALLY PREPARED and "POINTED" for their respective races.
